

Antioxidants play a major role in helping to fight against destructive, cell damaging free radicals in the body. Environmental pollution may also play a role in producing harmful free radicals. This formulation provides a full and broad spectrum of ingredients that promote antioxidant activity and provide antioxidant support to the cells of the body.*

If you are pregnant, nursing, taking any medications, planning any medical or surgical procedure or have any medical condition, please consult your healthcare practitioner before taking any dietary supplement. Avoid this product if you are allergic to ragweed or daisy-like flowers. Discontinue use and consult your healthcare practitioner if any adverse reactions occur. Not intended for use by persons under the age of 18. Keep out of reach of children. Store at room temperature. Do not use if outer bottle seal is missing or damaged.
