

SUGGESTED USAGE: Take 1 tablet 1 to 2 times daily with food, or as directed by your healthcare practitioner.

HOW IT WORKS: Phosphatidyl Serine (PS) is a naturally occurring phospholipid that is found in especially high concentrations in the cellular membranes of brain and nerve tissues.* PS supports neuronal membrane fluidity and facilitates intercellular communication for healthy neurocognitive function.* PS thus supports the normal utilization of neurotransmitters in the brain.* Research shows that PS supplementation can promote cognitive function and mental acuity.* This product utilizes Sharp-PS®, which is derived from non-GMO sunflower oil and is soy free.

CAUTIONS/INTERACTIONS: Phosphatidyl Serine may interact with acetylcholinesterase inhibitors, cholinergic or anti-cholinergic medications. If you are taking any of these medications, please consult your healthcare practitioner before taking this product.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
