

Nature's Plus® DYNO-MINS® CALCIUM is an exciting, revolutionary formulation offering peak mineral support:

- **DYNO-MINS CALCIUM** supplies highest-quality Phytavail Calcium from pesticide-free, hydroponically grown plants. Unlike other food-grown minerals, Phytavail Calcium is 100% yeast free.

- **DYNO-MINS CALCIUM** employs the exclusive Dyno-Mins Dynamic Mineral Transport System. Specific organic transporting agents for calcium, including aminoate, citrate, aspartate, ascorbate, lysinate and bisglycinate chelate, maximize Phytavail Calcium bioavailability and utilization.

- **DYNO-MINS CALCIUM** includes rare earth elements that are critical for overall health and well-being.*

- **DYNO-MINS CALCIUM** contains true organically bound mineral chelates, specially coated with acid-resistant protection for increased absorption in the intestines. Mineral aminoates are brown rice chelates.

- **DYNO-MINS CALCIUM** enhances Phytavail Calcium absorption and utilization with FOS (fructooligosaccharides). This all-natural prebiotic promotes the growth of friendly intestinal bacteria and helps to maintain a healthy digestive environment.*

Free from artificial colors and preservatives. Free from the common allergens yeast, wheat, soy and milk.

PRODUCT NO. 36641

Vegetarian Yeast Free
