

restorIT™ is a clinical-strength adrenal health supplement. Its fast-acting, four-part formula is time-tested and has been used by doctors for over 10 years.

Everyday stress, a poor diet, or consuming too many caffeinated drinks (like coffee, tea, or energy shots and drinks) can negatively affect the health of your adrenal glands. This can contribute to fatigue, low libido, poor mood, restless sleep, and difficulty focusing.

restorIT provides a cutting-edge blend of clinically-studied nutrients designed to promote healthy adrenal gland function. They also help reduce fatigue and help you better manage the effects of physical, emotional and mental stress.*

restorIT's ingredients are shown in clinical studies to:*

- Boost daytime energy and reduce fatigue
- Promote a healthy libido
- Promote a positive mood and healthy feelings of emotional well-being
- Promote mental clarity, concentration, and focus
- Promote healthy, restful sleep

DIRECTIONS: Take one serving (two capsules) twice daily, at bedtime and with breakfast.

CAUTION: Not for use by infants or children. Pregnant or nursing mothers and those on medication should consult with their health professional before using any supplement. As with any supplement, if adverse effects are experienced, discontinue use immediately and contact a healthcare professional.
