

PROFESSIONAL USE ONLY

Not for resale on third-party websites,
including, but not limited to, Amazon® and eBay®.

DIRECTIONS: Take three to five capsules daily on an empty stomach,
or as directed by your healthcare practitioner.

Consult your healthcare practitioner prior to use. Individuals taking
blood thinners or other medication as well as those with bleeding
disorders or liver damage should discuss potential interactions and
contraindications with their healthcare practitioner. Do not use if
tamper seal is damaged.

ProteoXyme™ affects cytokine and eicosanoid balance, promotes joint
comfort, and supports the body's ability to maintain tissue integrity.
Proteolytic enzymes in ProteoXyme may break down proteins and
complexes that can be produced as a result of injury and tissue
damage. This activity is believed to aid nutrient and oxygen delivery
and may help speed the body's ability to recover and heal.
Acid-resistant capsules facilitate systemic delivery of enzymes.*
