

SUGGESTED USAGE: Adults: Chew 2 tablets with or before each meal. Children (ages 4 & up): Chew 1 tablet with or before each meal. Or use as directed by your healthcare practitioner. **Keep lid tightly sealed.**

HOW IT WORKS: ProtoZymes™ is a broad spectrum digestive enzyme formulation designed to support optimal breakdown and absorption of proteins, fats, and carbohydrates, including lactose, to ensure maximum nutritional value for you and your children.* ProtoZymes™ has been designed especially for children, but it can also be used by adults to enhance bioaccessibility of nutrients consumed in foods.*

CAUTIONS/INTERACTIONS: There are no known drug interactions.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Natural color variation may occur in this product.

Do Not Eat Freshness Packet. Keep in Bottle.
