Parastroy®

There are few animals on earth that complete their life cycle alone, without the involvement of other organisms. Just as we rely on living plants and animals for food and nourishment, there are life-forms that rely directly on us to survive. While many organisms that inhabit the human body are supportive and live in harmony with our systems, some organisms only benefit themselves and may disrupt the body's natural balance.*

Nature's Secret® Parastroy® is a powerful cleansing formula that creates an unfriendly environment for parasites.* This product is a two-step program that supports the body's own ability to cleanse and sweep unnecessary waste material with foreign organisms from the body.*

PART 1:
PARA-RID™
A blend of herbs and botanicals to help cleanse the digestive tract, and flush unnecessary material (including parasites) from the body.*

PART 2:
PARA-SWEEP™
A blend of soluble and insoluble fibers that work in conjunction with PARA-RID™ to sweep the digestive tract.*

Who is Nature's Secret®?

At Nature's Secret® we believe that total body wellness is the key to overall health.

The conventional approach to health sees the body as a set of separate parts, each needing their own separate treatments. Take a look at the way our medical system is organized - from cardiologists to dermatologists, we have a doctor for nearly every body part. But nature has a well-kept secret… there is no separation between any of our systems. They are all intricately connected in a brilliant dance only nature could orchestrate. At Nature's Secret®, we develop our products using this whole-body philosophy.

We understand, for example, that sluggish digestion can lead to low energy levels and shouldn't always be supported with caffeinated energy tablets. Our approach focuses on the origins of imbalance, not the signs of imbalance. This is Nature's Secret®, total body wholeness and wellness.
