♦ This product is endorsed by the GNC Medical Advisory Board. This team of esteemed physicians utilizes their extensive medical knowledge and experience to aid in the creation of GNC premium products, helping you to achieve optimal health through comprehensive nutritional support so you can live your best life!

GNC QUALITY COMMITMENT

For more than 79 years, GNC has been the leader in the development of superior nutritional supplements. Our products are produced using only fresh, high-quality ingredients and are manufactured under the strictest quality controls.

GNC GUARANTEE

If you are not 100% completely satisfied, return the unused portion of the product with your receipt to a GNC store within 30 days. Our trained sales staff will either refund your purchase price or, if you prefer, assist you in finding a replacement product to help you LIVE WELL.

GNC

WOMEN'S
ULTRA MEGA®
50 Plus

More antioxidant power than ever and over 30 clinically studied ingredients in every formula – all in smaller, easier-to-swallow pills.

- ✔ **Women's Health**
Contains a clinically studied women's multivitamin shown to work better than a basic multivitamin.*
- ✔ **Antioxidants**
Packed with antioxidants to help protect against harmful free radicals that can destroy healthy cells and promote cell aging.*
- ✔ **Bone Health**
Contains a potent calcium and vitamin D complex to support strong bones.*
- ✔ **Skin Support**
Includes lutein to support skin hydration and hyaluronic acid, which plays a role in maintaining skin elasticity.*

*In a randomized, double-blind, placebo-controlled study of 112 healthy volunteers, subjects taking the GNC vitamin and mineral blends for six weeks experienced significant improvements in serum levels of certain key nutrients compared to a placebo and a leading multivitamin formula based upon multivariate statistical analyses of a group of B vitamins (thiamin, niacin, riboflavin, pantothenic acid, biotin, folic acid and vitamins B-6 and B-12) and key antioxidants and carotenoids (a group of beta-carotene, alpha-tocopherol, selenium, lutein and lycopene). Statistical improvements in SF-36 Vitality and Mental Health scores were also observed compared to placebo.
