**Nature's Plus® AgeLoss® Lung Support** is designed to neutralize catabolic free radicals that impact the respiratory system, supplying anabolic factors of lung repair and rejuvenation. Customized antioxidants and phytonutrients promote healthy, clear respiration, optimal oxygen circulation, and youthful, exhilarating energy! **AgeLoss Lung Support** includes:

**REJUVABOLIC™ Full Spectrum Antioxidant Blend:** Achieving more than 3000 total ORAC value, this vibrant complex of antioxidant-packed botanicals such as grape seed, wild bilberry and blueberry, plus key anti-aging compounds trans-resveratrol and quercetin, is customized for lung care with highly bioavailable, targeted antioxidants that counter respiratory oxidative stress.

**FIRST DAY™ Healthy Inflammation Response Blend:** The antioxidant-dense whole foods and nutrients in this incredible blend, such as olive fruit, turmeric and the proprietary Thione Complex™, promote natural anti-oxidative activity and healthy inflammation response.

**Licorice:** *Glycyrrhiza glabra* is an herbal root that has been used in traditional wellness practices since ancient Greece and Rome. Prized for its respiratory benefits, licorice activity is further supported by modern research.

**Lemon bioflavonoids:** Phytonutrient compounds found in lemons help defend the respiratory system against oxidative stress. Like licorice, bioflavonoids promote the body's ability to modulate inflammation in the respiratory system.

**AgeLoss Organic Gold Standard Potentiating Nutrients** acerola, guava, holy basil, lemon and brown rice optimize these age-defying lung-health nutrients.

With additional lung-targeted, free-radical-neutralizing antioxidants from bilberry, elderberry, eleuthero and andrographis, plus lung-health-promoting riboflavin and vitamin B12, **Nature's Plus AgeLoss Lung Support** is truly the most sophisticated respiratory anti-aging formula ever developed!
