

NOOTROPICS

ADRAFINIL

Manufacturer's Directions

Take between 300 and 600mg daily, split into multiple doses, on an empty stomach. Initially avoid taking Adrafinil before bed to avoid potentially interfering with sleep, as it is stimulatory. Adrafinil may elevate liver enzymes

Manufacturer's Warnings

Consult your health care provider before consuming this product. Do not use if you are pregnant or breastfeeding. Not intended for use by persons under the age of 18.

* These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.
