

Suggested Usage

As a dietary supplement, adults take two 2 softgels daily before food, or as directed by a healthcare professional.

Caution

Consult your healthcare provider before taking this supplement if you are pregnant, breastfeeding, taking any medications, or planning any medical procedure. Individuals taking more than 3 g of Omega-3s per day from supplements should do so only under a physician's care. Store in a cool, dry place. Keep out of the reach of children. Supportive but not conclusive research shows that consumption of EPA and DHA Omega-3 fatty acids may reduce the risk of coronary heart disease*
