

About Blonyx HMB Sport

HMB is one of the most researched ingredients proven to improve athletic performance. Research shows that:

- **HMB** enhances **endurance** when combined with aerobic exercise like running and cycling¹.
- **HMB** enhances **strength** when combined with heavy training¹.
- **HMB** enhances muscle **recovery** after strenuous exercise¹.

HMB is a naturally occurring substance needed by the body for muscle function and repair. We get **HMB** from eating foods such as grapefruit and fish.

At **Blonyx** we believe that supplements should only contain simple, proven ingredients without unnecessary sugars, sweeteners or other additives. Find out more at **www.blonyx.com**
