Clinically Studied Strain

1 Capsule Daily

VEGETARIAN FORMULA

30 Capsules / Dietary Supplement

Sundown Naturals® Probiotic Balance contains a clinically studied strain, called *Lactobacillus plantarum* 299v (Lp299v®). Why is *Lactobacillus plantarum* 299v (Lp299v®) so important for digestive health? Just like vitamins and minerals, each probiotic strain has an individual role to play. Lp299v® is a clinically studied active probiotic strain that's been shown to deliver additional good bacteria to your intestinal tract.* Made from naturally occurring cultures, Lp299v® supports digestive health and gastrointestinal function by helping to maintain a healthy natural balance within your digestive system.*
