

Vitamin E strengthens immune response and promotes cardiovascular health. Tocopherols and tocotrienols provide important antioxidant activity throughout the body.*

100% food sourced components provide the complete vitamin E spectrum as found in nature. By combining cold pressed, unrefined wheat germ oil with high potency soy lipid extracts, Vitamin E Plus provides all four tocopherols and all four tocotrienols of the vitamin E family.

NeoLife's breakthrough water miscible technology, derived from a unique blend of components, including apple pectin and lecithin, encourages faster, more efficient absorption of vitamin E.

Store in a cool, dry place, away from direct sunlight.
Packaged with safety seal.
