NOW FOODS, 395 S. Glen Ellyn Rd.
Bloomingdale, IL 60108, USA nowsportsproducts.com

Not manufactured with yeast, wheat, gluten, corn, soy, milk, egg, fish, shellfish or tree nut ingredients. Produced in a GMP facility that processes other ingredients containing these allergens.

This product is pure, and because no anti-caking agents are used, lumping may occur. This product contains hydrochloride, the acid normally present in the stomach, which acts to stabilize the L-Ornithine.

This product is sold by weight not volume.

Store in a cool, dry, dark place after opening.

Please Recycle.

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.**

SUGGESTED USAGE: Take 1/2 teaspoon 1 to 2 times daily, mixed with juice or water, on an empty stomach.

Ornithine is a non-essential amino acid that plays a central role in the urea cycle, functioning along with Arginine and Citrulline to rid the body of ammonia, a byproduct of protein metabolism.* Because Ornithine is converted into Arginine, it can help to maintain healthy Arginine levels in the body.* Ornithine can also be converted into other amino acids, such as citrulline, proline, and glutamate, as well as creatine, an important muscular energy source.*

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.

Do Not Eat Freshness Packet Enclosed.

Natural color variation may occur in this product.
