HEALTHY HAIR SKIN & NAILS™

4,000 MCG BIOTIN
COMPLETE B-COMPLEX • MSM • SILICON

DIETARY SUPPLEMENT

500 Easy-to-Swallow Capsules

Andrew Lessman's HEALTHY HAIR, SKIN AND NAILS is a uniquely comprehensive blend of nutrients to promote the healthiest appearance and growth of our Hair, Skin and Nails. These three tissues make up our Integumentary System, which is not only the largest system in our body, but also the only one that never stops growing. As a result, it has enormous nutrient requirements, which are virtually impossible to satisfy from even the healthiest diet. Although the appearance of our hair, skin and nails does not affect our health, there is no denying that their appearance profoundly affects how we feel.

Hair, skin and nail tissues are biochemically virtually identical, which allows this single economical formula to completely satisfy the needs of all three tissues. Experts have long recognized that the healthy growth of the specialized tissues of our hair, skin and nails requires far higher levels of Biotin than are present in even the healthiest diet or any typical multivitamin. For that reason, this formula provides an exceptional 4,000 mcg of this scientifically recognized beauty nutrient. We also provide generous levels of Sulfur from MSM because Sulfur is essential to the structure of our hair, skin and nails and MSM is an exceptional source of organic Sulfur. We also include Silicon from natural bamboo. **Healthy Hair, Skin and Nails** also provides more than a dozen other nutrients to ensure that you possess all the requirements inside your body to create the most beautiful hair, skin and nails on the outside.
