MEN'S COMPLETE™

HIGH POTENCY VITAMINS • MINERALS • CAROTENOIDS

ALL NATURAL • 100% PURE • ADDITIVE-FREE
GENTLE EVEN FOR SENSITIVE STOMACHS

60 Perma-Fresh Packets™ • 300 Easy-to-Swallow Capsules

COMPLETE is the foundational member of Andrew Lessman's family of multi-vitamin-mineral formulas. **COMPLETE** is 100% pure and contains only the nutrients you desire with *no binders, fillers or additives of any kind*. **COMPLETE** comes as an ultra-fine powder in small, easy-to-swallow capsules that are guaranteed gentle even to sensitive stomachs. It provides all the benefits you seek from a multi-vitamin without any of the problems normally associated with their use.

COMPLETE delivers more than 30 nutrients, including high potencies of all essential vitamins, minerals and carotenoids. **COMPLETE** is the purest and mildest ultra-high-potency multi-vitamin formula possible. It provides 2,000 IU of Vitamin D3, along with high levels of all the B-Complex vitamins, including 500 mcg of Biotin and 250 mcg of our proprietary, absorption-protected Methylcobalamin (Natural Coenzyme Vitamin B12), plus 1,000 mg of non-acidic Vitamin C, along with the powerful protection of key carotenoids, including Lutein (2,500 mcg), Lycopene (2,500 mcg) and our unique Zeaxanthin Complex (1,000 mcg). Additionally, **COMPLETE** provides Gamma Vitamin E, which experts agree is by far the most protective form of Vitamin E. Sadly, virtually every other multi-vitamin and separate Vitamin E formula uses inferior, less protective Alpha Vitamin E.

COMPLETE delivers the nutrients you seek without employing impossible to swallow and difficult to digest tablets. Instead, we use only easy-to-swallow capsules containing ultra-fine, non-acidic powders to ensure the greatest ease of use with no risk of stomach upset. Also, unlike typical multi-vitamins that ignore the current science, **COMPLETE** provides a comprehensive list of vitamins, minerals and carotenoids at levels that respect both you and the scientific literature.

THE PERFECT PACKET.

*The Perma-Fresh Purple Packet.
The Only Packet Worthy of
Our 100% Pure Products.*

Our Purple Packet is our most advanced packet ever, offering even more protection than our original Foil Packet. To retain potency, vitamins must be protected from light, moisture and oxygen and the ordinary clear packets used with typical vitamins cannot do so. Our unique *Purple Packets* are constructed from multiple layers of specialized materials to safeguard your vitamins from damaging light, moisture and oxygen. For decades, our Foil Packets set the standard for vitamin protection and today, our Perma-Fresh *Purple Packet* takes that protection to the highest levels, giving your vitamins the special protection they deserve.
