

SUGGESTED USE: As a dietary supplement take one (1) capsule in the morning preferably 30-45 minutes before a meal, with an 8oz glass of water. For the maximum weight loss dosage, you can take one (1) capsule twice a day or advised by your healthcare professional.

CAUTION: Do not exceed recommended dosage. Pregnant or nursing women, children under 18 and individuals with known medical conditions should consult a doctor before taking this or any dietary supplement. Keep out of reach of children and don't use if safety seal is damaged or missing. Store in a cool, dry place.
