Xcellent E™ features EVNol SupraBio™ full-spectrum palm tocopherol/tocotrienol complex. EVNol SupraBio's patented bio-enhancing technology has been shown to increase tocotrienol absorption rates in humans by an average of 250%. Tocotrienols confer unique health benefits not provided by tocopherols. This means Xcellent E not only enables superior absorption but also provides more comprehensive vitamin E benefits than tocopherol-only formulas.*
