GNC

MEGA
MEN®
Sport

Mega Men® Sport is much more than a multivitamin – it also includes a sports formula for men who exercise regularly. You get everything you need in one easy-to-mix powder.

- ✓

Men's Health
Contains a clinically studied multivitamin formula[†] shown to support men's health. Also includes 10 g of fiber for digestion, and lycopene for heart and prostate health.*
- ✓

Performance
Features an ingredient clinically studied to enhance athletic performance and improve strength and power. Also includes branched chain amino acids to fuel muscles and reduce the amount of protein breakdown from exercise.*
- ✓

Joint Health
Has hyaluronic acid to cushion joints; also has MSM, an important component for joint cartilage.*
- ✓

Recovery
Includes 10 g of protein for muscle support and recovery, plus ingredients to support the body's natural anti-inflammatory process. Also has glutamine, which plays an important role in muscle function during and after exercise.*
- ✓

Antioxidants
Packed with antioxidants to minimize the effect of free radicals that can be produced during your workout.*

[†]In a randomized, double-blind, placebo-controlled study of 112 healthy volunteers, subjects taking the GNC vitamin and mineral blend in this product for six weeks experienced statistically significant improvements in markers of B vitamin and antioxidant status, as well as improvements in SF 36 Vitality and Mental Health scores compared to those taking a placebo.
