GNC QUALITY COMMITMENT

For more than 75 years, GNC has been the leader in the development and manufacture of dietary supplements and is committed to producing the most superior products. We use only the highest quality ingredients manufactured under the strictest quality controls. Every raw material used is tested to ensure its purity and potency. Each product is dated and then shipped immediately to our stores to ensure that you are purchasing the freshest supplements available.

GNC GUARANTEE

If you are not 100% completely satisfied, return the unused portion of the product with your receipt to a GNC store within 30 days. Our trained sales staff will either refund your purchase price or, if you prefer, assist you in finding a replacement product to help you LIVE WELL.

WOMEN'S ULTRA MEGA® BONE DENSITY WITHOUT IRON AND IODINE

GNC Women's Ultra Mega® Bone Density is a scientifically designed multiple vitamin and mineral formula that emphasizes key nutrients for bone health. This premium, clinically studied formula boasts similar attributes as traditional Women's Ultra Mega® but is enhanced with 1,000 mg of calcium, 2,000 IU of vitamin D-3 and 40 mg of MBP®, a protein complex derived from milk.

MBP®

- A functionally active protein complex isolated and purified from milk protein. Emerging research indicates that MBP® supports the body's natural ability to build and maintain bone mass by supporting the body's bone building cells.*

Calcium and Magnesium

- Important structural components of bone that help maintain healthy bone matrix.* Each daily serving provides 1,000 mg of calcium and 250 mg of magnesium. *Adequate calcium and vitamin D in a healthy diet throughout life may reduce the risk of osteoporosis.

Vitamin D-3

- Includes 2,000 IU of vitamin D-3 which enhances calcium absorption and is essential for healthy bones and teeth.* Emerging research suggests that adequate daily vitamin D intake may play a role in supporting breast and bone health.*

Timed-release caplets provide a gradual release of vital nutrients. Iron and iodine free formula for women who do not require daily supplementation of these nutrients.

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
