- + boosts protein intake*

Collagen is a major structural protein in the human body (found in skin, joints, bones, blood vessels and connective tissues). As we age, collagen naturally breaks down and diminishes over time - leading to the early signs of aging. Youtheory[®] Collagen Advanced Formula with added Vitamin C is designed to help replenish the body's supply of this vital protein.* This product supplies intensive nourishment to help counter the effects of the aging process... so you can age beautifully!*
