

HIGH STRENGTH

Lutein 10mg

Popular carotenoid found within the eye

**120 Capsules****Product Information**

Lutein is a naturally occurring fat-soluble pigment found in a small number of plants. This carotenoid is absorbed by the body and transported in the blood to the eye, especially the retina, where it is concentrated in the macular, the most visually sensitive and active part of the retina. Therefore, experts believe consuming Lutein may help maintain healthy eyes.

Ingredients - Each Capsule Contains:

Lutein 10mg. Other Ingredients: Microcrystalline Cellulose, Gelatin (Titanium Dioxide), Magnesium Stearate.

Suggested Daily Intake

Take two to four capsules daily as a food supplement or as directed by a healthcare professional.
