DIRECTIONS FOR NV™ CLINICAL: Take the first serving (3 caplets) in the morning with breakfast and the second serving (3 caplets) 6 hours later with an afternoon meal or snack, each time with 8 oz. of water. If you are sensitive to caffeine, start gradually by taking 1 caplet per serving in the morning and afternoon on the first day, 2 caplets per serving in the morning and afternoon on the second day, and 3 caplets per serving on the third day and beyond. Do not exceed 6 caplets in a 24-hour period. NV™ Clinical should be used in conjunction with a reduced-calorie diet and regular exercise program. Visit www.trynv.com for a FREE NV™ Clinical Weight-Loss Guide. Do not take NV™ Clinical within 5 hours of bedtime. Read the entire label before use and follow directions.

WARNING: KEEP OUT OF REACH OF CHILDREN. Do not use if you are pregnant or nursing, contemplating becoming pregnant or have a known allergy to any ingredient in this product. Not intended for use by persons under 18. Consult a physician before using this product if you have been treated for or diagnosed with, or have a family history of any medical condition including, but not limited to, diabetes, anxiety disorders, glaucoma, cardiac conditions, osteoporosis, thyroid disease, bleeding disorders, hypertension, or liver disorders or if you are taking monoamine oxidase (MAO) inhibitors, blood thinners such as warfarin, diuretic medications, blood glucose modifiers, or any prescription drug or over-the-counter medication. One serving of this product contains the amount of caffeine equivalent to 2 cups of coffee. Do not combine with other caffeine-containing sources such as coffee, tea, or energy drinks. Discontinue use and immediately inform a physician if you experience chest pain, dizziness, headache, irregular heartbeat, nausea, or other comparable symptoms. Use only as directed. Do not exceed recommended serving, as improper use of this product does not enhance results. Do not use if inner safety seal has been broken. Store in a cool, dry place.

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
