Sennosides per tablet 15 mg

Natural laxative. Relieves occasional constipation (irregularity)*

Prunelax (Ciruelax) Tablets contains dried plums extract and herbs which help you maintain bowel regularity.*

Prunelax takes effect within 8 to 12 hours.

Directions: Adults and children 15 years of age and over take 1 to 3 tablets before bedtime. Follow with a glass of water or juice. Do not exceed recommended dosage.

Children under 15 years of age: consult a doctor.

WARNINGS: This product contains Senna. Read and follow package direction carefully. Stop use and see a doctor if diarrhea, loose stools or stomach pain develop. If you have noticed a sudden change in bowel habits that persists over two weeks, consult a doctor before using laxatives. Rectal bleeding or failure to have a bowel movement after use of a laxative may indicate a serious condition. Discontinue use and consult a doctor. Laxative products should not be used for a period longer than one week unless directed by a doctor. Consult a doctor before using this product if you are pregnant, nursing, taking medication or have medical conditions. To report a serious adverse event or obtain product information, please contact Garden House USA Inc.
