Warning: *If you are pregnant, nursing, are allergic, have a medical condition, or are taking any medications, consult a doctor before using this or any dietary supplement. *These statements have not been evaluated by the Food and Drug Administration. *This product is not intended to diagnose, treat, cure, or prevent any disease. We do not encourage excessive drinking. Never drink and drive. Please drink responsibly.

Additional Warning: USE UNDER MEDICAL SUPERVISION. For children under 12 months, consult your doctor regarding appropriate use. Notify your doctor immediately if vomiting, diarrhea, decreased urination, or other signs of dehydration continue beyond 24 hours. Talk to your doctor before using Thrive+ ORS if you have heart or kidney disease, or electrolyte/ fluid restrictions. Keep out of the reach of children.

Net Wt: 205 g Manufactured for: ThrivePlus LLC, Houston, TX 77339

Supplement Facts

Serving size: 1/2 scoop
Servings per container: 20

	Amount per serving
Anhydrous Glucose	6.75 g
Sodium Chloride	1.30 g
Trisodium Citrate Dihydrate	1.45 g
Potassium Chloride	0.75 g
Other Ingredients: Natural Lemon Extract	

Directions for Thrive+ ORS:

Mix **half a scoop** with 16.9oz (standard plastic water bottle) or 500ml of water. Scoop included.

Use as needed when exercising, suffering from diarrhea, or ill. Consume every 1-2 hours as needed until **hydrated**. Adults consume up to 8 servings per day. Children consume up to 4 servings per day.

If using **Thrive+ ORS** to rehydrate after alcohol usage, then use 1-2 servings after drinking alcohol / before going to bed. Additional servings may be used in the morning.

For reducing the rest of alcohol's negative effects, we recommend taking 3 capsules of **Thrive+ After-Alcohol Aid** (found at thrivecure.com) after drinking or before going to bed in addition to Thrive+ ORS.
