

HIGH STRENGTH

Red Clover 1000mg

A rich source of isoflavones

**120 Tablets****Product Information**

A perennial herb that grows wild throughout Europe and Asia, Red Clover contains the isoflavones daidzein and genistein. Isoflavones are phyto-estrogens naturally found in plants. During the menopause natural levels of oestrogen are low.

Ingredients - Each Tablet Contains:

Red Clover Extract 83.5mg (12:1) equivalent to 1000mg. Other Ingredients: Microcrystalline Cellulose, Dicalcium Phosphate, Magnesium Stearate, Silica.

Suggested Daily Intake

Take two tablets daily as a food supplement or as directed by a healthcare professional.

Important Information

If you are taking any prescription medication, you have a medical condition or you have specific concerns about the suitability of any of our products in relation to these, you should always consult your GP or Pharmacist prior to taking supplements. Pregnant or lactating women should consult a GP before taking supplements. Do not exceed the recommended daily dosage. Keep out of reach of children. Supplements should not be taken as a substitute for a varied diet. Always read the label before use. Image is for illustration purposes only. Suitable for vegetarians.
