

Reserveage[™]
nutrition

Reserveage[™] is committed to using only the finest wildcrafted Japanese Knotweed Extract combined with organic French red wine grapes and organic Muscadine grapes in our **Pro-Longevity Factors[®] Blend**.

Our unique, patent-pending, **Vine-to-Capsule[™]** process minimizes exposure to light, heat and oxidation, enabling us to preserve the integrity of the essential phytonutrients.

The organic French grapes in our proprietary blend are processed only minutes away from our vineyards ensuring unsurpassed quality, purity and freshness.

We source organic muscadine grapes directly from **certified organic farms** and our French grapes are grown in organic vineyards certified by **Agriculture Biologique**.
