

Reserveage™ nutrition

Reserveage™ is committed to using only the finest wildcrafted Japanese Knotweed Extract combined with organic French red wine grapes and organic Muscadine grapes in our **Pro-Longevity Factors® Blend**.

Our unique, patent-pending **Vine-to-Capsule™** process minimizes exposure to light, heat and oxidation, enabling us to preserve the integrity of the essential phytonutrients.

The organic French grapes in our proprietary blend are processed only minutes away from our vineyards ensuring unsurpassed quality, purity and freshness.

We source organic muscadine grapes directly from **certified organic farms** and our French grapes are grown in organic vineyards certified by **Agriculture Biologique**.

Reserveage™ is devoted to the extension of youth - naturally.

This heart-healthy formula delivers three Mediterranean botanicals that help maintain healthy cholesterol levels and provide antioxidant support.⁵

Bergamot: Bergamonte® is a trademarked and patented standardized extract of the citrus fruit bergamot that supports cardiovascular health. Sourced from Italy, it is clinically researched to help maintain cholesterol, triglycerides and lipids within normal range.⁵

Olive Fruit Extract: This botanical extract comes from the fruit of the olive, which is traditionally cultivated in the Mediterranean region.

Polyphenol Blend: Our proprietary blend with organic red grapes from the heart of France and Resveratrol from wildcrafted Japanese Knotweed promotes healthy cellular productivity.⁵

PRO-LONGEVITY FACTORS® BLEND DESIGNED TO SUPPORT AND HELP:

- ★ Activate the SIRT1 'longevity gene'⁵
- ★ Provide cell rejuvenation⁵
- ★ Offer important antioxidant protection⁵
