

Directions: Shake well before using. For best results, take 2 tablespoons (30 mL) daily. Refrigerate opening.

Joint Lube provides the tested and recommended amount of glucosamine along with therapeutic amounts of chondroitin sulfate, MSM (methylsulfonylmethane), collagen and joint factors. This great-tasting liquid is easily digested, leading to better absorption of the nutrients, thus providing greater bio-availability. The ingredients in Joint Lube help provide the building blocks needed for joint repair, help manage pain and inflammation and promote the integrity of joint and connective tissue – all of which lead to greater flexibility and freedom of movement. Joint Lube helps you enjoy life again!

- Keep out of reach of children.
- Shake before using.
- Refrigerate after opening.
- Do not purchase if seal is broken.

Caution: Do not take this product if you are allergic to shellfish.
