WARNING: Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under the age of 6. KEEP OUT OF REACH OF CHILDREN. In case of accidental overdose, call a doctor or poison control center immediately.

Free of the following common allergens: milk/casein, eggs, fish, shellfish, tree nuts, peanuts, wheat/gluten, yeast, and soybeans. Contains no artificial colors, flavors, or preservatives.

Suggested Use: 1 tablet daily with food.

Chewable Iron Chelate contains iron, an essential mineral, as a fully-reacted amino acid (trisglycinate) chelate produced through a special process by Albion® Laboratories. This compound has been shown to be a well-tolerated, bioavailable form of iron.

Do not use if full-bottle shrinkwrap is broken or missing. Store in a cool, dry place (59°F-85°F) away from direct light.

This product was made in a GMP and ISO 9001:2008 registered facility.
