

Award Winning Patented ORAC-Energy® Greens Formula

Many of us don't eat the recommended 9 servings of fruits and vegetables daily. That is why **ORAC** (Oxygen Radical Absorbance Capacity) **Energy® Greens** is the perfect supplement to provide the antioxidant protection we all need. Our patented formula is the next generation in greens containing over 42 certified organic and pesticide free ingredients. These ingredients include highly bioavailable juice powders, aqua superfoods, freeze-dried berries and veggies, immune-supporting mushrooms, stress-harmonizing adaptogens, probiotics, and ecologically wild crafted and/or naturally grown herbal concentrates.**

Over 40,000 total ORAC per serving **ORAC-Energy® Greens** provides the antioxidant power of more than 24 servings of fruits & vegetables in every scoop. In addition, our ecologically wild crafted herbs can go beyond organic by helping promote fair trade while keeping the environment pure by providing indigenous people the opportunity to make a living without clearing natural landscapes or cutting down rainforests.**

100% vegan. Contains **NO** animal products, common allergens, added sweeteners or flavored fillers. Our wheat and barley juice powders are harvested from young grasses before the gluten containing endosperms develop and are gluten free.
