** Has naturally occurring caffeine.

This product has approx. 50 mg natural caffeine per scoop.

Not manufactured with wheat, gluten, soy, milk, egg, fish, shellfish or tree nut ingredients. Produced in a GMP facility that processes other ingredients containing these allergens.

SUGGESTED USAGE: For Pre-Workout Energy Support: Mix 1 level scoop of Amino Power in 8 to 12 oz. of water or other beverage 20-30 minutes before workout. For Post-Workout Amino Support: At least 4 hours after initial pre-workout dose, mix 1 level scoop of Amino Power in 8 to 12 oz. of water or other beverage. One scoop of Amino Power has approx. 50 mg caffeine.

NOW® Sports Amino Power Pre-Workout Powder features BCAAs, Beta-Alanine, L-Arginine, and more to help you stay focused and energized so you can train harder and longer.* Amino Power has BCAAs to support muscle growth, retention, and recovery, and Beta-Alanine to delay muscle fatigue and promote rapid recovery from intense exercise.* L-Arginine is included to enhance blood flow and nutrient delivery.* With 50 mg Caffeine per scoop, this great-tasting supplement helps you maintain physical energy and focus during your workout, while supporting your body's natural recovery processes.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: For adults only. Beta-Alanine may cause a harmless, temporary tingling sensation on the skin for some individuals. After a few weeks of supplementation with Beta-Alanine, this sensation normally lessens or subsides. Consult physician if pregnant/nursing, taking medication (especially antihypertensives, nitrates, or other heart medications), or have a medical condition (especially herpes, kidney impairment and/or glaucoma). Discontinue use if nervousness, sleeplessness or nausea occur. Keep out of reach of children. Contains Xylitol, do not feed to pets.

Do Not Eat Freshness Packet Enclosed.
