SUGGESTED USAGE: Take 3 tablets daily with food as needed.

NOW® LipoTrim is a combination of nutrients that support fat digestion, metabolism, and utilization.* Choline and Inositol aid in the metabolism of fat by the liver.* Taurine has been included to support bile production, which is essential for the digestion and absorption of dietary fats.* Carnitine is critical in all tissues for the transport of fatty acids into the mitochondria, where the cells' energy is produced.* This blend of ingredients therefore supports many aspects of healthy fat metabolism, which, in turn, may promote higher energy levels.*
