Other Ingredients: Cellulose (capsules), (May contain one or more of the following: rice powder, magnesium stearate and silica). Our Standardized Ginkgo Biloba Extract is manufactured by a phytopharmaceutical company under strict European quality control standards without the use of harsh solvents. Like all European herbal extracts, the extraction of our Ginkgo Biloba is regulated according to quality standards that exceed regulatory standards in the U.S. Along with flavoneglycosides and terpene lactones, our ginkgo provides 0.8% Ginkgolide B and other Ginkgolide and Bilobalide constituents in their synergistic ratios.
