Protizyme is ideal for any consumer who demands superior quality, uncompromising results, and is looking to increase lean muscle mass, boost metabolism, improve health/wellness and maximize physical enhancement...guaranteed!

Dedicated to manufacturing high quality nutritional supplements, backed by scientific research and formulated by a medical doctor. Metabolic Nutrition® was the first to introduce a specialized designed protein to the marketplace -Protizume Acclaimed by obveicions, athletes and consumers alike Protizume's premium pharmaceutical grade engineered protein increases protein absorption more than 30090

In scientific terms, the secret lies within the unique manufacturing process of Protizyme, which differentiates from all other regular proteins in the marketolace Protizyme's 10x ultra-microfiltered process preserves the essential protein-peptide structure which delivers greater concentrations of aming acids glutamine and BCAA's. Each gram of protein in Protizyme is coated with only the most potent. digestive enzymes, dramatically increasing digestion and absorption, therefore eliminating gas and bloating.

Dortinma is fortified with QA assential vitamine and minerals providing optimal nutritional benefit absent in other proteins. Additionally Protizyme contains the highest levels of bioactive protein fractions and immunoglobulins to improve immune function, support intestinal health and promote a greater sense of well being. Lastly, Protizyme exclusively contains the ultra-nowerful ingredient TAG (Trans-Alany/Gutamine) the world's only "Muscle Targeted Glutamine"...which boosts your body's rate for muscle recovery and repair

by over 425% What does this mean to you? It means you can absorb more protein permeal...50...60...or 70 grams or more... doubling your daily protein intake without the common gas, bloating, and upset stomach. More protein absorption means increased protein synthesis, thus faster results than other regular proteins!

physicien, please consult your physicien before using this product. Do not use if temper resistant seal is broken KEEP DUT OF REACH OF CHILDREN, STORE IN A COOL, DRY PLACE AND AVOID DICESSIVE HEAT.

Protizyme increases protein absorption, muscle recovery, eids in fet weight loss, prolongs physical stamina boosts immune system, maximizes Servino Per Container: Approx. 65 nutrient utilization and stimulates muscle production prester than any other protein making it a critical supplement. Protizyme is suitable for all: low-carbohydrate. low-fat, low-glycemic, reduced calorie, gluten free.

As a weight loss solution, add 1 - 2 scoops of daily as a part of your low carbohydrate, low-fet,

beverage and mix. For maximum results muscle recovery and repair.
