MicroLingual[®]
INSTANT DISSOLVE TABLETS
DIETARY SUPPLEMENT

Supplement Facts

Serving Size: 1 MicroLingual[®] Tablet
Servings Per Container: 60

Amount Per Serving	% Daily Value	
Vitamin B ₆ (as pyridoxal-5' phosphate)	2 mg	100%
Folic Acid	600 mcg	150%
Vitamin B ₁₂ [as methylcobalamin 1,000 mcg and adenosylcobalamin (dibenzozide) 1,000 mcg]	2,000 mcg	33,333%

Other Ingredients: Lactose (milk) and acacia gum.

Directions: As a dietary supplement, dissolve one MicroLingual[®] tablet under the tongue as directed by your healthcare provider. This product may also be swallowed.

Note: Tablet color may vary from light pink to red. Potency is not affected by this natural variance.

Our Instant Dissolve MicroLingual[®] Tablets may be small but they are full potency! Typical tablets and capsules need to be swallowed and are inefficiently absorbed in the digestive system. MicroLingual[®] tablets dissolve immediately under the tongue heading straight into the body. Our proprietary hydrodrying process results in fewer inactive binders and fillers and a higher ratio of nutritional ingredients—hence the small size. They efficiently provide your body with the nutrients you need right now.*
