

Suggested Usage: Take 1 tablet 1 to 2 times daily, preferably with food.

NOW® Soy-Free Phosphatidyl Serine is a phospholipid compound derived from Non-GMO sunflower lecithin. Phosphatidyl Serine plays an essential role in cell membrane composition and intercellular communication.* It is an especially important structural component of nerve cell membranes, where it assists in the conduction of electrical impulses and facilitates the activity of neurotransmitters involved in learning, memory, and mood.*
