NUTRILITE® MEMORY BUILDER™ dietary supplement contains a unique and complementary combination of standardized extracts of Ginkgo Biloba and Cistanche Tubulosa. Research suggests Ginkgo Biloba provides quick support for mental performance, 4-6 hours after taking, while preliminary research shows the daily intake of 300 mg of Nutrilite's standardized Cistanche may improve memory, focus and recall over a longer period of time, or a period of weeks.*

NUTRILITE®
BEST OF NATURE. BEST OF SCIENCE.

memory builder™
with ginkgo

DIETARY SUPPLEMENT

60 TABLETS

SUGGESTED USE: Take 2 tablets per day, preferably with meals.
