

## CANDACLEAR

following groups of ingredients in four easy-to-take capsules and tablet. Each package contains 30 portable strips to enhance patient compliance.

Delayed release allicin

Probiotic providing 25 billion CFU with NAG, L-glutamine and beta-carotene

Human Lactic Commensals (HLC) probiotic strains are research-driven and clinically proven in randomized, double-blind, placebo-controlled human trials at 25 billion CFU per day. Proprietary non-pathogenic human-sourced microflora bacterial strains are utilized as they have strong epithelial adherence and a naturally high tolerance to stomach acid.

CANDACLEAR

delayed release allicin

dietary supplement

- allicin with cinnamon
- 30 vegetable capsules

Pack size: 30 day supply

- allicin with caprylates 30 vegetable capsules
