 BLUEPRINT BOTANICALS™

At **herbscience™**, we have found a way to combine high technology with age-old herbal tradition. The Blueprint Botanicals™ system begins with select herbs gathered from all over the world. Pre-tested, using advanced analytical methods, our herbal extracts are patiently concentrated utilizing time-tested methods. Once we have attained the highly standardized levels recommended by leading herbalists, our finished products are packaged and double-sealed for optimal freshness. This is your assurance of potency and purity. Blueprint Botanicals™ for **herbscience™**—Perfecting the Science of Nature™.
