Directions As a dietary supplement, chew one (1) tablet immediately before, during, or immediately after a meal containing cholesterol. Each tablet may block absorption of 500mg of cholesterol. **Suitable for vegetarians.** Do not exceed recommended dosage. Keep out of reach of children. Store in a cool dry place.

Research from 1951 to today indicates that plant sterols in this product block absorption of cholesterol from the intestines on a milligram-to-milligram basis when ingested along with cholesterol containing food, and may also support healthy prostate and immune function.⁺
