* Daily Value not established

► **Field of Greens** is a potentially alkaline dietary supplement that brings healthy balance and dense nutrition to the daily diet.*

► **Vegans seek purity.** Field of Greens is purely the best green food; a nutritionally balanced combination of organic greens that goes far beyond any single food to bring maximum, broad range nutrient density. Profoundly healthy. Purely green.*

► **Directions** As a dietary supplement, mix one scoop (enclosed) daily of Field of Greens into 4 to 8 ounces of your favorite beverage or water. Stir briskly, drink and prosper. Keep out of reach of children. Store in a cool, dry place. If you are pregnant, planning to become pregnant, breast feeding, taking any prescription medication, or have a medical condition, consult your physician or healthcare professional before taking this product. Do not exceed recommended dosage. Keep out of reach of children

► **Also available in** 30 Day Supply (7.51 oz.), Box of 15 Single Packets

► **Raw Food** "Raw" defines ingredients whose nutrients have been protected by processing at temperatures under 118°F. Ingredients in Field of Greens are dried and concentrated from 40-94°F.
