Cinnamon Extract 500 Mg**180 Capsules**

Item No. 99-512

UPC: 092865995126

This new formula offers more than three times the extract than our former product providing 500 mg of extract. The former formula provided 150 mg of extract.

Label Information**Cinnamon Extract 500 Mg***Cinnamomum cassia*

- Standardized to 18-30% Polyphenols
- 500 Mg Extract
- Promotes Healthy Glucose Metabolism*

Cinnamon Extract 500 mg helps support healthy glucose metabolism and blood sugar levels already within the normal range.* We use a highly concentrated 10:1 cinnamon extract standardized to high levels of naturally occurring polyphenols (typical analysis 18-30%). This high-quality extract is much more potent than regular cinnamon bark products. It takes 5,000 mg of cinnamon bark to make 500 mg of our cinnamon extract.

Vegetarian Capsules. Vegetarian.
