

Suggested Usage: Take 1 capsule daily. Hawthorn leaves, flowers and berries have been used for generations by herbalists as a cardiovascular tonic.* Hawthorn promotes cardiovascular health by supporting cardiac muscle tone and vascular integrity.* Hawthorn Extract also exhibits powerful free radical scavenging activity.* NOW® Hawthorn Extract is standardized to 1.8% Vitexin that, along with other natural components, has been found to support normal blood flow and may help to maintain blood pressure already within the healthy range.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication (especially cardiac and blood pressure medications), or have a medical condition (especially a heart or blood pressure condition). Keep out of reach of children.
