TEST CHARGE[®]

WITH PATENT-PENDING TAXADRAL[®]

IGNITE
Fast-Acting[®] Liquid

Using the very latest in delivery technology, Test Charge[®] Liquid delivers its active components in a 'liquid phase dispersion' that aids in both absorption and bioavailability for a quicker response.*

Suggested Use: As a dietary supplement, take 1 ml in the morning and 1 ml in the early evening with water.

SUSTAIN
Delayed-Release[®] Capsules

To prolong and enhance the response triggered by the liquid 'Igniter', Test Charge[®] Capsules release their active ingredients slower and steadier via a delayed-release mechanism. The dual-action, synergistic effect of this incredible liquid/capsule stack offers our best in natural testosterone support.*

Suggested Use: As a dietary supplement, take 1 capsule in the morning and 1 capsule in the early evening.

BLOCK
Aroma Block-R[™] Tablets

Alpha-Male crushing estrogen may have met its match! Powered by our synergistic blend of phyto-nutrients and pressed into a delayed release tablet, Aroma Block-R[™] packs the 1 tablet power to complete the Test Charge[®] experience.

Suggested Use: As a dietary supplement, take 1 tablet daily before bedtime. Use daily for 30 consecutive days.

WHAT IS THE TEST CHARGE KIT?

It's a natural testosterone support system that works with the body's natural physiological processes. For best results Test Charge[®] users should exercise with maximum intensity while following a nutrient rich, calorically dense diet. The Test Charge[®] Kit does not need to be cycled. Individual results may vary.*
