Sunshine Vitamin D with 2000 IU, new melt in your mouth tablet can make taking supplements easier than ever. No need for water. Just place the tablet on your tongue and let it melt away in about a minute and swallow. Just one Sunshine in a Melt provides you with 2,000 IU of vitamin D-3. Vitamin D-3 is important to help:

- Support your natural defenses[†]
- Manage a positive mood[†]
- Balance out Seasonal Sadness[†]
- Support the health of your bones and teeth[†]

Vitamin D is considered the sunshine vitamin because it is formed as the sun's ultraviolet rays touch your skin. Eating foods such as butter, cream, egg yolks and liver also provides your body with vitamin D, but not enough without additional support.

Sunshine Vitamin D in a melt ... the sunshine vitamin for a healthier you![†]

Directions: Place one melt in mouth daily and allow to dissolve before swallowing.

- Keep out of reach of children.
- Protect from heat, light and moisture.
- Store in a cool, dry place.
- Do not use if inner seal is broken.
