Nutrition is never more important than prior to, during and after child birth. Because a pregnant or lactating woman is constantly feeding her child from her body's own nutrients, a sufficient supply of vitamins and minerals is essential.

Buried Treasure™ PreNatal Plus DHA Complete is a comprehensive blend of vitamins, minerals and herbs in an easy-to-swallow, highly bioavailable liquid form. The Omega 3 Fatty Acid DHA is vital to healthy fetal brain and eye development, while extra Folic Acid is required for normal fetal development.*

DIRECTIONS: SHAKE WELL BEFORE EACH USE. REFRIGERATE AFTER OPENING. BEST IF USED WITHIN 45 DAYS FROM OPENING. Adults should take 1 tablespoon daily. We recommend you mix it with your favorite juice. **Do not take on an empty stomach.**
