Supplement Facts

Serving Size: 1 Tablet

	Amount Per Serving	% Daily Value
Iron (as ferrous sulfate)	65 mg	361%

Other ingredients: Dicalcium phosphate, microcrystalline cellulose, stearic acid, dextrose, croscarmellose sodium, magnesium stearate, silica, and enteric coating (hydroxypropylmethylcellulose phthalate and triacetin).

WARNINGS: Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under 6. Keep this product out of reach of children. In case of accidental overdose, call a doctor or poison control center immediately.

An anemic condition should be treated under the advice and supervision of a physician.

Since oral iron products interfere with absorption of oral tetracycline antibiotics, these products should not be taken within 2 hours of each other. Iron-containing supplements may occasionally cause bowel effects such as constipation or diarrhea. If you are pregnant or nursing a baby, seek the advice of a healthcare professional before using this product.
