Official HCG Diet Plan

Suggested Use: Adults, take 3 full droppers (or its equivalent of 45 droplets) and add it to 8-16oz of purified water or green tea, this is one serving. It is recommended to take 3 servings per day. One should not exceed 9 full droppers per day. It is not recommended to take the product without mixing water or other liquid due to its natural potent taste, although it is not dangerous to take the product directly. Not recommended to be taken at night time. Shake well.

Refrigeration is recommended after opening!

Warnings: Consult a physician before use. Do not use if pregnant or nursing. Keep out of reach of children. Do not use if tamper evident seal is damaged or missing. Discontinue use immediately if experiencing dizziness, nausea, severe headaches, heart palpitations.
